Clear Space Productions has a great alternative for any presenting organization, community group, national trade association, or corporation with meetings scheduled in the mid-Atlantic area. **Clear Space On Tour** offers an array of six options, comprised of the region's most talented singers, dancers, and arts leaders, now available to provide performing arts experiences at monthly or annual meetings, special events, annual conferences, holiday festivities, and other assemblies at affordable prices.

**AN AMERICAN SONGBOOK** features Clear Space Artistic Directors Doug Yetter and Ken Skrzysz performing songs from the Broadway repertoire and is one of the most popular Clear Space offerings. The entire 75-minute concert is updated on an annual basis, but can be altered to fit individual programming needs.

**BROADWAY BOUND ON TOUR** is a select group of talented young performers who take to the stage, bringing to life the past century of musical theatre. Each musical number is fully staged and accompanied by a live pianist. Performances can range in length from 15 to 45 minutes.

**CLEAR SPACE CHORUS** performs with 60 voices under the direction of Clear Space Artistic Director, Doug Yetter, and accompanied by Collaborative Pianist, Melanie Bradley. The Chorus, usually joined by some of the loveliest solo voices in the region, presents full-evening concerts. The repertoire of the chorus focuses upon the popular music of the last one hundred years.

**THE CLEAR SPACE SINGERS** is a select group of 16 voices from the Clear Space Chorus and is ideal for more intimate performance settings. Their repertoire consists of up-tempo songs and ballads from Broadway shows and Hollywood movies, as well as popular music. Performances can vary in length from 30 to 60 minutes.

**100 YEARS OF BROADWAY** showcases the talents of four to eight terrific, triple-threat performers who take audiences on an hour-long tour of the most-loved Broadway shows. The revue features songs and dances from a wide range of shows – from George M. Cohan's first hit, "Little Johnny Jones" to musicals of Broadway's Golden Age, such as "Oklahoma!" and "Guys and Dolls" to hits of today, including "Wicked" and "The Lion King."

**SPEAKER SERIES** supplies organizations with one of the Directors of Clear Space Productions who may speak on topics such as: The Local Arts Scene, Creating a Resident Theatre Company, Dance Composition (Choreography), Musical Composition, and Creating a Show.
